

Drawing WITH CODE

Which shape do the following pieces of code output? Draw!

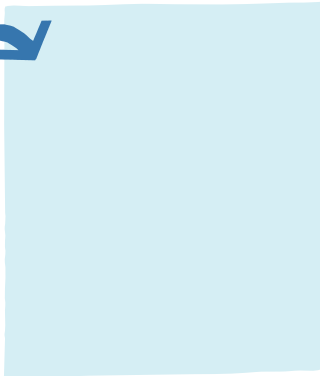

START

pen down

repeat 4 times

move 100 steps

turn 90 degrees

START

pen down

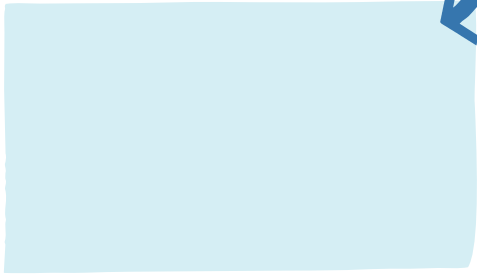

repeat 2 times

move 200 steps

turn 90 degrees

move 100 steps

turn 90 degrees

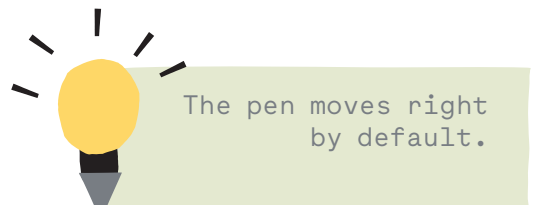

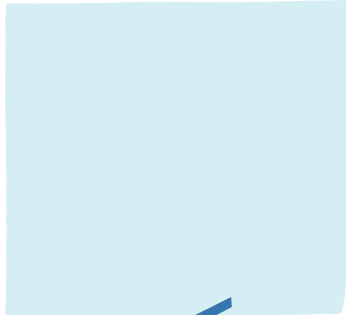

START

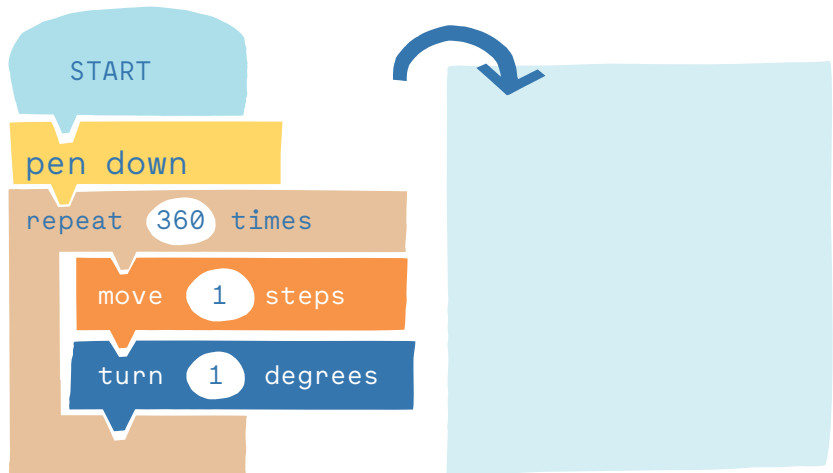

pen down

repeat 3 times

move 100 steps

turn 120 degrees

Now try creating the code in Scratch. You'll need to modify the code a bit - while at it, try adding something fun and surprising!
